apply(ies) to use the information designated as the ACM Multimedia 3DLife Grand Challenge 2011: Realistic Interaction in Online Virtual Environments data set subject to the following understandings, terms and conditions. These understandings, terms and conditions apply equally to all or to part of the information.

Permitted Uses

1. Although the 3DLife ACM Multimedia Grand Challenge (GC) 2011 Dataset can be used for any research and development purposes, the usage of the dataset for the Grand Challenge takes precedence over all other uses until the end of ACM Multimedia 2011 (Dec 1st 2011). As such, although researchers are free to submit work for publication to any relevant conferences/journals/etc. outside of the ACM Multimedia 2011, the publication date for any other publication must not occur until after the GC has been completed (Dec 1st 2011)
2. Small excerpts of the information may be displayed to others or published in a scientific or technical context, solely for the purpose of describing the research and development and related issues.
3. All published documents that use the dataset, or refer to the 3DLife Grand Challenge 2011 general goals, guidelines, general results, etc. must cite a publication (to be provided on <http://perso.telecom-paristech.fr/~essid/3dlife-gc-11/>) and refer to the dataset as the '3DLife ACM Multimedia Grand Challenge 2011 Dataset'.

Access to the Information by Individuals

1. Access to the information by an individual person is to be controlled by that person's organization. The organization may only grant access to people working under its control, i.e., its own members, consultants to the organization, or individuals providing service to the organization.

By the Organization:

Signature _____

Date _____

Name (please print) _____

Title _____

Email address _____

If you are granted access to the data requested, do you agree that all documents/work, which make use of/refer to the dataset, that are published before Dec 1st 2011 by your organization will be solely published at ACM Multimedia 2011?
