# Document License

Public context } with modification

***By downloading or viewing this document, the user accepts and wholly abides by its license, which is set out in the following dispositions.***

The licence confers to the user a right to use the consulted or downloaded document, in full or in part, in accordance with the conditions set out hereinafter to the express exclusion of any commercial use.

The right of use set out by the licence allows use for all users which includes:

- the right to copy all or a part of the document onto a computer or paper medium,
- The right to distribute all or a part of the document to the public on a paper or computer medium including its on-line publication on a digital network,
- the right to modify the form or the presentation of the document,
- the right to include all or a part of the document in a composite document and to distribute it in this new document on condition that:
  - the author is informed.

The information relating to the source of the document and/or its author must be fully preserved.

The right of use set out in the licence is personal and non-exclusive.

Any use except that set out in the licence is subject to the prior, express authorisation of the author. [sitepedago@telecom-paristech.fr](mailto:sitepedago@telecom-paristech.fr)
